(Hong Kong, 26 July 2010) Ngong Ping 360 will host a four-day “Ngong Ping 360 Open Day” featuring a preview of the new Ngong Ping Piazza, an update on Ngong Ping 360’s tourist products and an opportunity to experience a journey in the popular Crystal Cabin for those involved in the travel and tourism industry.

Members of the Travel Industry Council of Hong Kong (TICHK) have been invited to join the guided tours organized by Ngong Ping 360 on 28 to 29 July and 3 to 4 August 2010.

The representatives will experience a breathtaking cable car journey in a Crystal Cabin to enjoy the “Blue and Green” natural scenery between Ngong Ping Village and Tung Chung. A brief business update on Ngong Ping 360 will also be provided.

Professional tour guides from 360 Holidays, which is operated by Ngong Ping 360, will brief representatives from the travel industry about the key features of the Ngong Ping Piazza.

“The opening of the Ngong Ping Piazza gives tourists another great reason to visit Ngong Ping 360,” said Managing Director of Ngong Ping 360 Mr Y T Li. “By hosting the Open Day, we can give a preview of the Piazza and share our latest tourist products with representatives in the travel industry so they can promote Ngong Ping and possibly find new commercial opportunities.”
