10 Couples Take Vows of Romance at Ngong Ping 360**

(Hong Kong, 10 October 2010) The 10th day of the 10th month in 2010 is an auspicious day, as 10-10-10 implies “perfect” in Chinese. To celebrate the occasion, 10 couples said “I do” at a romantic “360 iDream Perfect Wedding Party” at Ngong Ping 360 amidst the spectacular blue and green landscape.

The “360 iDream Perfect Wedding Party” kicked off with a cable car journey across the rolling green hills and crystal blue waters, creating an idyllic moment for couples preparing to embark on a lifelong journey of love.

After arriving in Ngong Ping Village, the 10 couples, under the witness of their friends and relatives, took a vow of commitment to their other halves at a dreamy Wedding Party, which was organised by Ngong Ping 360 and iDreamation Limited.

The “360 iDream Perfect Wedding Party” showcased different wedding packages featuring the beautiful and romantic environment along Ngong Ping 360.

Mr Y T Li, Managing Director of Ngong Ping 360, Miss Toby Leung Ching-kei, popular actress and the founder of iDreamation, and popular artist Mr Law Chung-him also joined the Party to present their blessings to the 10 new couples, who were among the first to choose the “360 iDream” wedding package jointly developed by Ngong Ping 360 and iDreamation.

“10-10-10 is an auspicious day that only comes along once every 100 years, making this a perfect day for couples to declare their love and devotion,” said Mr Y T Li. “Combined with the spectacular scenery, it created a dreamy wedding experience that the couples will remember for a lifetime.”

Miss Toby Leung Ching-kei also noted, "The Wedding Party was a truly touching moment, not only for the wedding couples, but also for those witnessing the event."

Ngong Ping 360 and iDreamation will introduce more wedding packages catering to the different needs of couples in the coming months.
