Ngong Ping 360 Launches Christmas and New Year Promotions

(Hong Kong, 3 December 2010) Ngong Ping 360 will be launching a series of promotions in the upcoming Christmas and New Year period, giving friends and families the opportunity to experience memorable outdoor fun during the festive season.

The promotions include a “Buy 1, Get 2 Free” children’s promotion, the first-ever Outdoor White Snowy Christmas, a Christmas Food Fair, and a variety of festive performances and workshops.

“Buy 1 Get 2 Free” Children Promotion

From 1 December 2010 to 31 January 2011, each paying adult visitor to Ngong Ping 360 will receive up to two free tickets for their accompanying children (below the age of 12).

Managing Director of Ngong Ping 360 Mr Y T Li said, “Through this family-oriented promotion, Ngong Ping 360 will be the best place for families to visit during the coming Christmas and New Year holidays. In addition, we will also be bringing a series of outdoor fun activities for visitors to appreciate Ngong Ping 360’s “blue and green” environment.

“The theme of this year’s activities is ‘Outdoor White Snowy Christmas’, said Mr Li. “Together with our children’s promotion, Christmas performances and workshops, the aim of our promotion is to bring visitors a unique and unforgettable experience they can find nowhere else but at Ngong Ping 360.”

First-ever Outdoor White Snowy Christmas

From today until 31 December 2010, Ngong Ping 360 will present the first-ever Outdoor White Snowy Christmas, offering fun and enjoyable winter festivities and celebratory programmes.

During this period, visitors will see and feel glittering artificial snow falling from the cable car-shaped decoration at Ngong Ping Village, creating a picturesque Christmas environment for photo-taking.

Ngong Ping Christmas Food Fair

As culinary delights play an important part at this time of the year, Ngong Ping 360 will collaborate with dessert experts and shop tenants to stage the “Ngong Ping Christmas Food Fair” at Ngong Ping Village from today to 3 January 2011.

The Christmas Food Fair is a hybrid of Chinese and Western Christmas themed cuisines and desserts, highlighting the many tempting and tasty delights of the Christmas season, such as Ngong Ping roasted turkey salad, Osmanthus Cake, special Mere Poulard biscuits from France, European mulled wine, special Indian snacks and desserts, popular Christmas chocolates and candies, and light refreshments from Taiwan.

Christmas Entertainment and Workshops

During the Christmas and New Year period, a variety of entertainment will be held at Ngong Ping Village, including Christmas carol singing, dramas, magic shows and special Christmas performances. For kids, a series of craft workshops will be staged at Ngong Ping Village to share the fun of creating Christmas cards, little angels and other craft items.
