Mosaic wall arts

Culture

Located at the foot of Lantau Peak, Wisdom Path is a landscaped installation of wooden columns inscribed with the calligraphy of the complete verses of the Heart Sutra written by master Sinologist Professor Jao Tsung-I.

The Big Buddha

The majestic Buddha statue sits solemnly atop the peak of Mount Muk Yue. It is famed as the most iconic attraction of Lantau. It is only a 10-minute walk away from Ngong Ping Village.

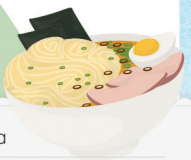

Po Lin Monastery

Situated on Ngong Ping Plateau and facing the Big Buddha, Po Lin Monastery was formerly known as "the Big Thatched Hut". Construction of the monastery began in 1906. It was officially named Po Lin Monastery in 1924. The monastery is not only a famous Lantau attraction, but also a world-renowned Buddhist establishment for its prominent architectural structures.
