

Citybus and Ngong Ping 360 Partner to Enrich Tourism Seamless Open-Top Bus and Cable Car Link for an Exceptional Sightseeing and Travel Experience

(30 July 2025, Hong Kong) Citybus Limited (“Citybus”) and Ngong Ping 360 Limited (“Ngong Ping 360”) are delighted to announce a transformative partnership aimed at enriching Hong Kong’s tourism landscape. By integrating Citybus’ extensive public transport and city tour network with Ngong Ping 360’s iconic cable car experience, this collaboration aims to showcase the natural beauty of Lantau Island and the vibrant Airport City for both residents and tourists. A newly themed open-top bus is now operating across five new routes on Lantau Island, connecting Ngong Ping 360 Tung Chung Cable Car Terminal, Hong Kong International Airport, Hong Kong Disneyland and nearby hotels, fostering seamless synergy between major attractions and the Airport City.

Five New 360 Lantau Open-Top Bus Routes, Easily Explore Lantau Island Attractions

Citybus and Ngong Ping 360 team up to launch five new open-top bus routes, NP1 to NP5, featuring a themed bus that reflects the essence of the Lantau Island, establishing a moving tourism hotspot. Tourists can board directly from Hong Kong International Airport to access Ngong Ping 360 Tung Chung Cable Car Terminal, enjoying the breathtaking sights of Lantau Island. The open-top bus also shuttles through Hong Kong Disneyland, and nearby hotels, providing tourists with a one-stop transport and sightseeing experience to Ngong Ping and the Aircraft Maintenance Area before their departure flights. The new service also encourages transit tourists to explore the city, supporting the development of the tourism industry.

William Chung, Managing Director of Citybus, expressed his enthusiasm for the collaboration. “Citybus is honored to partner with the esteemed Ngong Ping 360. Together, we are committed to nurturing the prosperous development of Hong Kong’s tourism industry. Our team has been actively forging partnerships with key stakeholders in Hong Kong’s tourism sector to deliver one-stop experience for travel, entertainment and shopping. This collaboration with Ngong Ping 360 is particularly significant, marking the expansion of Citybus’ open-top bus network to Lantau Island while bringing tourists’ experiences to a new height through Ngong Ping 360’s cable car. As the Airport City expands, we recognize its tremendous potential for future growth. We are prepared to welcome more tourists to Hong Kong with our premium services, leveraging Hong Kong’s unique position with strong ties to the motherland and global connectivity.”

James Tung, Managing Director of Ngong Ping 360, shared his delight in partnering with the widely popular Citybus to promote Hong Kong’s tourism industry. “Lantau Island is picturesque, with attractions like the Aircraft Maintenance Area and Hong Kong Disneyland that are well worth visiting. The ‘360 Lantau Open-Top Bus’ package, launched with Citybus, seamlessly connects major landmarks on Lantau Island with urban sightseeing spots. Whether tourists wish to enjoy city night views on a sightseeing bus or travel to the airport at the end of their journey, it can all be effortlessly arranged, eliminating the need for individual bookings. The Sightseeing Passes fully integrate Hong Kong’s tourism resources, offering tourists a more convenient and comprehensive travel experience.”

The Citybus x Ngong Ping 360 Sightseeing Passes: Enhancing Travel Experience in the Most Cost-Effective Way

Hong Kong City Sightseeing operates China's largest open-top city tour and boasts the most extensive open-top bus fleet in Hong Kong. Ngong Ping 360 features the longest dual-cable car system in Asia and is acclaimed as one of the top ten cable car experiences in the world. As part of this collaboration, we are jointly introducing new tourism products that combine open-top bus and cable car, thereby enriching the experience for both mainland Chinese and overseas tourists.

Citybus and Ngong Ping 360 are dedicated to strengthening connections between citizens, tourists, and Hong Kong's distinctive attractions through high-quality transport and sightseeing services, offering fresh opportunities for nature and cultural exploration while reinforcing Hong Kong's status as a global tourism hub.

About Citybus

Established in 1979, through constant innovation and excellent service delivery, Citybus has grown to operate over 1,700 buses across Hong Kong Island, Kowloon and the New Territories and employs over 5,000 staff to serve over 1.1 million customers daily. We have an industry leading bus fleet with both electric and hydrogen buses, and the majority of buses operating at Euro5 emissions standard or above.

About Ngong Ping 360

As a major tourist attraction located on Lantau Island in Hong Kong, Ngong Ping 360 offers guests an exciting and unique natural and cultural experience. The Ngong Ping Cable Car stretches 5.7 km from Tung Chung to Ngong Ping and is the longest bicable cable car system in Asia. It offers a visually spectacular 25-minute journey with panoramic views of the flora and fauna of North Lantau Country Park, Tung Chung Bay, the Hong Kong-Zhuhai-Macao Bridge, and Hong Kong International Airport.

In 2022, Ngong Ping 360 launched "Crystal+", a new type of cabin developed in France and Italy. All sides and the bottom of the "Crystal+" cabin are made of fully transparent tempered glass, providing our guests with 80% visibility and an unobstructed 360° panoramic view of Lantau Island, to create an extraordinary travel experience.
