The Grand Opening Ceremony of the "Ngong Ping 360 20th Anniversary Night Cable Car Experience" was held at Ngong Ping Village tonight, officially kicking off this night event. The ceremony was graced by a distinguished line-up of officiating guests, including Miss Rosanna Law, JP, Secretary for

Culture, Sports and Tourism; Ms. Vivian Sum, JP, Permanent Secretary for Culture, Sports and Tourism; Mr. Arthur Lee, JP, Deputy Director (Regulatory Services) of Electrical and Mechanical Services Department; Mr. Ricky Tse, Deputy Chairman of Travel Industry Council of Hong Kong; Mr. Anthony Lau, Executive Director of Hong Kong Tourism Board; Mr. Sunny Yeung, Executive Director of Travel Industry Authority; Ms. Jeny Yeung, JP, Chief Executive Officer of MTR Corporation; and Mr. Sammy Wong, Chairman of Ngong Ping 360. Together, they presided over the lighting ceremony, illuminating the neon light decorations of Ngong Ping Village to celebrate the successful maiden ride of Ngong Ping 360 Night Ride.

Miss Rosanna Law, Secretary for Culture, Sports and Tourism, stated at the ceremony: "This unique event pays tribute to the splendors of Hong Kong through the art of light effects, fully demonstrating the captivating synergy of 'culture + tourism'. By weaving distinctive local cultural elements into the travel experience, it offers locals and visitors a refreshing night-tour experience and an exciting new evening destination. A highlight of this event is the creation of a truly 'Only in Hong Kong' experience—where visitors can exclusively enjoy the deep integration of Lantau Island's natural beauty and its rich cultural heritage at this specific time and place.

Mr. Sammy Wong, Chairman of Ngong Ping 360, remarked: "Over the past two decades, Ngong Ping 360 has continually innovated—from the Standard Cabins to the Crystal Cabins, and then to the Crystal+ Cabins launched in 2022 with over 80% transparency, delivering brand-new and unforgettable travel experiences for our guests. In these twenty years, Ngong Ping 360 has welcomed more than 26 million guests from Hong Kong, Chinese Mainland and around the world. Behind this number lies countless smiling faces and unique stories—and these stories are precisely the most precious assets that Ngong Ping 360 has accumulated over the past two decades."

Ngong Ping Village Transforms into Nostalgic Neon Light Main Street Evening Illumination of the Big Buddha

Following the lighting ceremony, the Ngong Ping Village is transformed into Nostalgic Neon Light Main Street, recreating the 1980s Hong Kong streetscape once lined with neon signs. Combined with colorful LED neon signs, guests are whisked back in time to relive the unique nostalgic charm of old Hong Kong. For the first time, a retired cable car cabin has been grounded and paired with colorful neon light installations, becoming a perfect photo spot. In addition, the Big Buddha will feature special nighttime illumination during the evening sailings, creating a solemn and serene atmosphere.

“903 Starry Breezy Live” Features Stellar Lineup of Popular Singers

Immediately after the maiden ride ceremony, the “Ngong Ping 360 20th Anniversary presents ‘903 Starry Breezy Live’” concert was held, hosted by DJs from Commercial Radio. Popular singers took the stage with pop hits and classic Cantopop songs for the audience, igniting a lively atmosphere. The concert will be held on all nights of the cable car night ride.

On each of the designated night ride evenings, guests can board the cable car near dusk to enjoy the sunset on the way to Ngong Ping, then return to Tung Chung after nightfall to take in the glittering views of the airport and the Hong Kong-Zhuhai-Macao Bridge. The rare spectacle of lights merging with sea and sky unfolds before their eyes, leaving unforgettable memories of this 20th anniversary journey.
