Ngong Ping 360 to Resume Cable Car Service on 1 April

(Hong Kong, 31 March 2021) Ngong Ping 360 would like to inform guests that the scheduled maintenance which started on 9 March 2021 has been satisfactorily completed ahead of schedule today. The cable car service will resume earlier than planned, at 10:00am on 1 April.

Ngong Ping 360 will continue to implement its cautionary measures, which include disinfecting cabins once guests disembark the cable cars etc. In order to accommodate the on-site queuing arrangement, the maximum number of passengers per cable car will be increased to 6 - 8 people. Indoor attractions at Ngong Ping Village, including Walking with Buddha and Motion 360, will remain closed until further notice.

Due to the overwhelming response to our online pre-sales promotions for the Easter holiday, on-site ticket purchasers may need to wait in line for a long time. To reduce waiting time and to control passenger flow, Ngong Ping 360 encourages guests to purchase their tickets online in advance. In the event that all tickets are sold-out, Ngong Ping 360 will announce the latest ticketing updates on the official website (<https://www.np360.com.hk/>) as soon as possible.

Guests can call the Ngong Ping 360 hotline on 3666 0606 or visit the official website at www.np360.com.hk for further information.
